Buying a Renters Insurance policy from Assurant now gives you even more protection. Floods are the most common natural disaster in the U.S., affecting customers nationwide for the past five years.

### Why did we add flood coverage to your policy?

We want to ensure your belongings are covered, because floods are so common.

### What if I live on the top floor?

Even if you live on the top floor, flood coverage will benefit you. If a flood happens and you are unable to access your unit, you can take advantage of Additional Living Expenses, which will help cover your hotel and food costs.
