## COMEDY CORNER

What did one plate say to  
the other plate?

Dinner is on me!

Henrik, a  
violinist from  
Ann Arbor put  
on an excellent  
concert for us on  
the back patio.

A big thank you to the Silver Strings Dulcimer Society for performing for us. With good music and perfect weather, we went out with a bang for the last outdoor concert of the year!

Thank you everyone for attending our outdoor concerts and for being so understanding. We know it hasn't been easy with the constant scheduling time changes and limited sign ups and we appreciate everyone's patience with us as we navigate through this strange time.
