Cooking Tip

One cup of evaporated milk can be
substituted for one cup of heavy
cream in most recipes.

Prevent Bug Bites

If you go to a ballgame, barbecue
or other outdoor event this summer,
avoid putting on perfume or cologne
beforehand—these types of scents
can attract mosquitoes.

A Better Bedtime

People who have trouble falling
asleep often find that a soothing
bedtime ritual, such as taking a bath
or playing music, helps them
wind down.

Cool Down

If you spend time outside in the
summer heat, remember to take
frequent breaks in a cool place.
