## **Widen Your Wardrobe**

Black pants are a fashion staple for many women, but don't rely on them too heavily. Add some flattering and comfortable skirts to your wardrobe. They are available in a wide array of patterns and fabrics, and you can dress a skirt up or down by changing what you wear on top.

## **Healthy Autumn Years**

September is Healthy Aging Month, a time to think positively about growing older and taking charge of our overall health and well-being. The U.S. Surgeon General suggests concentrating on avoiding disease, staying physically and mentally active, engaging with people, and keeping a watchful eye on finances.
