Frugal Friendships

Sometimes getting together with friends includes meals, movies and other activities that can quickly drain your budget. Don't be afraid to be honest when you simply can't afford to go out. Suggest ways to spend time together that won't cost a cent, such as taking a walk or having a game night at someone's home.

Come Together

October is Intergeneration Month, a time for generations to connect through communication, celebration and education. Older adults can offer wisdom that only comes from life experience, while younger people provide new ideas and perspectives. Spend some time with each other and see how much you learn!
