Labor Day

Labor Day, observed on the first Monday in September, became a federal holiday in 1894. The day recognizes the contributions and achievements of American workers. Labor Day also symbolizes the end of summer for many Americans, who celebrate with picnics and parties.

Put Dry Skin to Rest

The dry air from indoor heating systems can cause itchy skin and chapped lips. Tend to both by keeping a bottle of body lotion and a tube of lip balm on your nightstand and apply them before bedtime. Your skin and lips will soak up the moisture while you sleep.
